This Thanksgiving, we pause with deep gratitude to recognize the extraordinary men and women of the Carroll County Department of Fire & EMS. While many gather around tables with family and friends, you stand ready—answering calls, protecting lives, and serving our community with courage and compassion.

Your dedication reminds us that true service often means sacrifice, and your commitment ensures that Carroll County remains safe and cared for, day and night. On this holiday of thanks, we honor not only the work you do but the spirit in which you do it—with integrity, resilience, and heart.

May you find moments of rest, joy, and connection with loved ones, knowing that the Carroll County community is profoundly grateful for all you give.

Happy Thanksgiving and thank you for being the guardians of our safety and the embodiment of service. Enjoy your holiday and reflect on all that you have to be thankful for. Take a moment to savor the holiday and focus on family, friends and purpose. Continue to serve with dedication, commitment and excellence. Thank you for being a part of the DFEMS family. May you enjoy health and prosperity on this day of Thanks!

Yours in service,
